Организационная культура — социально-психологическое условие конкурентоспособности

Учебное пособие. — М.: АСМС, 2024

Построение эффективной организационной культуры возможно только при высокой включенности в этот процесс руководителя. Поэтому так важны представления руководителя о ключевых элементах организационной культуры. Как правило, этот аспект в понимании природы организационной культуры остается вне зоны внимания исследователей и именно поэтому так важно рассмотреть понятие «организационная культура руководителя».
